# *phobio*® for Business

## We've been creating better IT asset buyback opportunities for  Apple Businesses since 2018.

Recover more value from your retired mobile devices to reinvest back into your company. Phobio for Business helps to reduce the cost of upgrades and ensure your team has the right equipment to take advantage of business innovation.

## Here's how we work together . . .

**1** **You send us a list of devices**
business.phobio.com
Upload your list of device models or serial numbers of mobile devices for pricing.

**2** **We send you a trade-in quote**
1 BUSINESS DAY
A Phobio Trade Coordinator will email you a detailed quote for your devices to accept.

**3** **We send you shipping supplies**
3 - 5 BUSINESS DAYS
If you accept, we send you prepaid shipping supplies, instructions and tracking numbers.

**4** **We inspect the devices**
3 - 5 BUSINESS DAYS
Received devices are re-erased, inspected, and an itemized report is sent to you.

**5** **You get paid the trade-in value**
7 - 10 BUSINESS DAYS
Your company receives payment via ACH or eCheck.

*We provide competitive values for both Apple and non-apple desktops, laptops, smartphones, tablets and wearables.*

*We support device shipping from multiple locations to accommodate remote workforces.*

*If there are changes from the original quoted value, we contact you immediately to resolve or have them returned to you.*

## Get a device trade-in quote now  **business.phobio.com**

### Recover More Trade-In Value
Get competitive, guaranteed values on thousands of desktops, laptops, tablets, smartphones and wearables in all conditions.
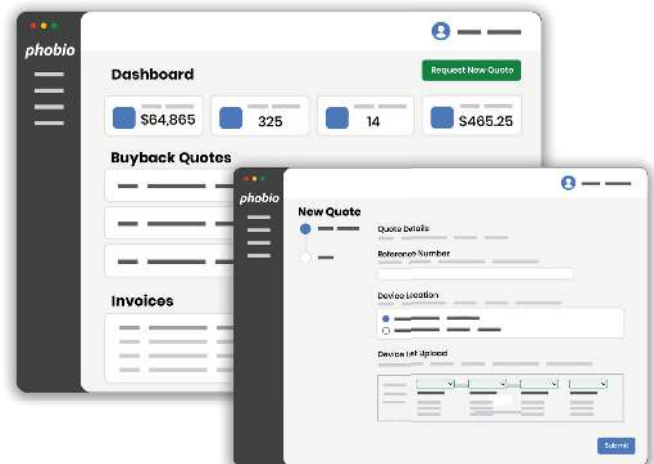

### Enjoy Simplicity with Security
Device shipments and packing materials can be arranged for multiple locations with trackable processes protecting company and user data.

### Relish Service Excellence
With flexible service, high payout values, real support and proactive account management, Phobio leads the industry in customer satisfaction.
